DEPARTMENT OF HUMANITIES AND SOCIAL SCIENCES

Indian Institute of Science, Madras

Founded in 1959 the Department of Humanities and Social Sciences is one of the oldest in **IIT Madras**. The Department's essentially inter-disciplinary nature is its distinguishing factor. This allows students to develop an appreciation for a very diverse set of fields, including Development Studies, Economics, English Studies, Environmental Studies, History, International Relations, Philosophy, Political Science, and Sociology. The Department offers both Master's and Doctoral programmes, as well as electives for B.Tech and M.Tech students.

M.A. Programme

- M.A., Development Studies
- M.A., English Studies

The students for the integrated Master's program at IIT-M are selected through the Humanities and Social Sciences Entrance Examination (HSEE) conducted by IIT Madras every year in the month of May. The exam is highly competitive and only about 2 percent of the candidates taking the exam are finally selected for the course. The present intake of the MA program is 45 students per year.

संघ लोक सेवा आयोग
UNION PUBLIC SERVICE
COMMISSION

CIVIL SERVICE EXAMINATIONS
IAS, IPS, IFS
etc....

CAREER GUIDANCE PREPARED FOR Ms. VARUNIKA K V, XII

The Civil Services Examination offers the widest range of jobs in our country and is conducted by the Union Public Service Commission (UPSC). There are about twenty-three (23) services offered through this single examination.

Some of the top services offered are the two All India Services, viz., the Indian Administrative Service (IAS) and the Indian Police Service (IPS) along with the other central services, viz., Indian Foreign Service (IFS), Indian Revenue Service (IRS) etc. Due to the importance and nature of such civil/public service jobs, UPSC takes utmost care in selecting the right people.

The Civil Services Examination comprises two successive stages:

1. Civil Services **Preliminary Examinations** (Objective Type) – for the selection of candidates for Main Examination
2. Civil Services **Main Examination** (Written Test and Interview) – for the selection of candidates for the various services and posts

The **Preliminary Examination** will consist of two papers of Objective type (multiple choice questions – there are four alternatives for the answer to every question) and carry a maximum of 400 marks.

- Paper I – is a paper on General Studies – 200 marks
- Paper II – is a paper on Aptitude Test- 200 marks

The Preliminary Examination is meant to serve as a screening test only and the marks obtained by the successful candidates (who are declared qualified for admission to the Main Examination) will not be counted for determining their final order of merit. The number of candidates admitted to the Main Examination will be about twelve to thirteen times the total approximate number of vacancies (across all services and posts) to be filled in the year through this examination.

Only those candidates who are declared by the Commission to have qualified in the Preliminary Examination in a year will be eligible for admission to the Main Examination of that year provided they are otherwise eligible for admission to the Main Examination.

CAREER GUIDANCE PREPARED FOR Ms. VARUNIKA K V, XII

The **Main Examination** (a written test) will consist of **9 papers of conventional essay type** of the following nature:

1. 2 papers of **Non-Ranking type** (the marks obtained by candidates in these papers will not be counted for determining the final order of merit).
The two papers of non-ranking type will include:
Paper – A : one paper of an Indian language to be selected by the candidate out of languages included in the Eighth Scheduled to the Constitution (refer to NOTE IX in this section), and
Paper – B : the second paper of English, which is a compulsory language paper.
Note: Both these papers will be 300 marks each and will be of a very simple nature (of matriculation or equivalent standard) and, in a way, will mentally prepare the candidate for writing the subsequent examination.
2. 7 papers of **Ranking type** (marks obtained in these papers will be counted for merit). The seven papers of ranking type will be:
Paper I – Essay – 250 marks
Four (4) papers of General Studies in the following manner:
Paper – II: General Studies – I on Indian Heritage and Culture, History and Geography of the World and Society – 250 marks
Paper – III: General Studies – II on Governance, Constitution, Polity, Social Justice and International relations – 250 marks
Paper – IV: General Studies – III on Technology, Economic Development, Bio-diversity, Environment, Security and Disaster Management – 250 marks
Paper – V: General Studies – IV on Ethics, Integrity and Aptitude – 250 marks
Paper VI & Paper VII: Two (2) papers in any one optional subject (candidates may choose any one optional subject from amongst the UPSC's list of optional subjects in the Mains Examination) – 250 marks each

For the optional papers in the Main Examination, UPSC has a list of about twenty-six subjects out of which any one subject has to be selected by the candidate.

Candidates, who obtain such minimum qualifying marks in the written part of the Main Examination as may be fixed by the Commission at their discretion, shall be summoned by them for an Interview

CAREER GUIDANCE PREPARED FOR Ms. VARUNIKA K V, XII

or a Personality Test. The number of candidates to be summoned for interview will be about twice the number of vacancies to be filled

The Interview (the final leg of the examination) will carry 275 marks with no minimum qualifying marks. Marks, thus obtained by the candidates in the Main Examination, (written part as well as interview) would determine their final ranking.

Candidates will be allotted to the various services and posts keeping in view their Ranks in the examination and the preferences expressed by them for the services and posts.
